VOLUME 9. MARYVILLE, MISSOURI. THURSDAY, MAR. 13, 1919 NO. 239.

N.B. LAMAR 90 TODAY

CAME TO MARYVILLE WHEN INDIANS WERE ONLY NEIGHBORS

CELEBRATES BIRTHDAY

Pioneer Resident Took Active Part in Early Development—Has Lived Here Sixty-seven Years.

It takes a long stretch of memory to look back to the time when Maryville's paved streets and beautiful residence sections were primeval forests and trackless prairies; when the smoke from the Indian tepees along the Nodaway was the only signs of human habitation for miles, when home was a log cabin with a puncheon floor and not a pane of glass for light.

N. B. Lamar, who is today celebrating his ninetieth birthday, can see all these changes; has had a part in the making of Nodaway county from the primitive to cultivated farms, prosperous homes and business institutions thriving villages and a county seat city which is more beautiful than even his boyish dreams could have visioned sixty-seven years ago when he first saw this corner of Missouri.

Mr. Lamar was born in Anderson county, Tenn., March 13, 1829. In 1842 with his parents he came to Nodaway county and they settled on the Nodaway river, taking up a claim in the northwest section. There the parents put up a log cabin. Roving bands of Indians infested the country on hunting expeditions,(there was no other white family within miles of the Lamar cabin and it was in this frontier life that the young N. B. learned to hunt, to farm and obtained his education.

No one has taken a more active part in the development of Nodaway county than Mr. Lamar and his spirit is as keen, his mind as active and his enjoyment of life as wholesome as it was when he worked on the farm as a young man.

He makes his home with his daughter, Mrs. Virgil W. Keene, and she entertained a few friends today at dinner to ...ate her father's birthday. ARCHITECT WARNS AGAINST DELAY FOR WAR MEMORIAL

ADVICE TO KANSAS CITY

Says Time Will Dull the Vigorous Impulse of the Hour. With Future Bringing Other Problems.

With Maryville and Nodaway county being interested in the erection of a war memorial to our soldiers and sailors the advise of H. Van Buren Magonigle, noted New York architect to the war memorial committee of Kansas City, having been called there for a conference is of interest. Says the Kansas City Star:

When should Kansas City erect her Liberty Memorial?

Now, when the impulse is strong, answers H. Van Buren Magonigle, a distinguished New York architect, chosen by the Liberty Memorial Association to conclude the series of conferences at which outside speakers have appeared before the joint committee of the association.

Mr. Magonigle observed that time would dull the vigorous impulse of the hour and the future would have projects and problems of its own. A vision of the fine sacrifice and patriotism of the war should be perpetuated while the desire to make a notable expression was keen.

"The amount of money available must determine to an extent the character of the memorial," the New York architect explained. "I do not mean we should have in any memorial a vulgar display of money, but whatever we do must be done finely. A small, fine thing that will express the memorial sentiment is better than a larger affair of uncertain merit.

The community center he classed as very feasible for a war memorial in a city of from five to twenty-five thousand population.

Disapproves Center Plan.

"Under those circumstances a community center could be made to mean something," he explained.

Mr. Magonigle warned expressly against attempting to cover too much ground with the memorial project.

DOUBT REDS' DEFEAT

A GOV. WIRELESS SAYS THE REVOLUTION HAS COLLAPSED

SITUATION IS OBSCURE

Berlin Streets Are Littered with Ruins and Wreckage Caused by Artillery Fire—Are Still Fighting.

London, March 13.—By a surprise attackk German government troops attack German government troops tacides at Lichtenburg, said a Central News dispatch. The Reds fell back in a panic, abandoning much material. Berlin streets are littered with ruins and wreckage caused by artillery fire.

London, March 13.—That the Spartacist counter revolution at Berlin has collapsed was indicated by a German radiogram picked up here today. It stated that Minister of War Noske had demanded the unconditional surrender of all Spartacides with their arms. The Reds, the dispatch said, have asked for a truce, but Noske replied it would be granted only on the terms mentioned.

But even if the situation has become quieter in Berlin rioting has spread to the provinces. At Dusseldorff, which has long been a storm center, the revolution was suppressed by government troops who used artillery and machine guns.

The real situation at Berlin is obscure. If the revolt has really been crushed government troops acted with great suddenness, for fighting is reported in progress in and around Berlin as late as Tuesday night. It must be remembered that the Nauen wireless government's victory was sent is in the plant from which the report of the hands of government authorities.

YOU CAN MAKE YOUR SHOE BILLS LESS

From Globe, Arizona, comes this recommendation of Neōlin Soles.
J. B. Medlyn sends it. He says:
"I have never had my Neōlin-soled shoes repaired as the soles always outwear the tops. The position I hold keeps me on my feet most of the time, and I can say that for comfort and wear Neōlin is the only shoe sole."
Millions of others who have worn Neōlin Soles think with Mr. Medlyn that they are the only soles for wear and comfort. Moreover, these soles cut your shoe bills down because they make your shoes last so long. They are waterproof too. Neōlin Soles are made scientifically by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

Among the parties who expect to go to St. Joseph Saturday to see David Warfield in "The Auctioneer" at the Lyceum theater are Miss Gertrude and Marie Wright, Miss Virginia Rose and Miss Edna Robinson, who will go for the night performance. Mrs. W. H. Hudson, Mrs. Harry Hudson, Mrs. Eugenie Schenck, Miss Nelle Hudson and Miss Kate Schenck, Mr. and Mrs. Fayette Bellows, Mr. and Mrs. B. M. Chandler, and Mr. and Mrs. Will F. Phares, Mrs. M. V. Zenor and daughter Miss Helen Zenor and Mr. and Mrs. Fred P. Robinson and Miss Bertha Beal will compose parties for the matinee performance.

Mrs. Jones Has Family Party.

Mrs. George R. Jones and daughter, Ruth, are entertaining a house party at the Jones farm north of the city which includes the members of Mrs. Jones' family, the Thompsons, and the reunion is being held chiefly in honor of one brother, whom the others have not seen for a number of years. Some of the guests are here, others will come tonight and tomorrow and the entire crowd will include Mrs. Jones' mother, Mrs. Sue Thompson, and her aunt, Mrs. Ida Joslyn of Tarkio; three brothers, Rich Thompson of Mountain Home, Idaho; L. R. Thompson of Williamsburg, Kan., and F. M. Thompson of Frankfort, Ind., and the latter's wife and young daughter, and a sister, Mrs. P. C. Perryman of Ord, Neb.

Wagner-Lock.

Miss Ada Wagner, the daughter of Mr. and Mrs. H. H. Wagner of Pickering, and Clark Lock, also of Pickering, were married at seven o'clock last night at the bride's home. The marriage lines were read by the Rev. C. S. Dayhoff, pastor of the Methodist church. The wedding was very simply arranged and attended by just the immediate family. For two and a half years the bride has been night operator at the Pickering Mutual Telephone Exchange and her courtesy and kindly treatment of every one has made her a valued employee whom the Exchange will regret to lose. For the present the newly weds are at home with Mrs. Loch's parents but they expect to go to housekeeping shortly and will make their home in Pickering.

The Wonderful Call When Baby Comes

Like the Blast of Heavenly Trumpet When Call of Motherhood Is Felt.

Of all the most vital times in a woman's life the coming of baby is fraught with the greatest meaning. Care should be exercised to insure that the crisis is passed in safety.

Apprehension is avoided by the timely use of Mother's Friend, a preparation of penetrating oils and medicinal ingredients, which renders the muscles, cords, tendons and ligaments pliable, and thus tension is avoided. The usual nervousness, nausea, bearing-down and stretching pains are counteracted and the period is one of calm repose.

The broad, flat abdominal muscles relax with ease, and when baby comes the time at the crisis is less and pain and danger is avoided.

Thousands of women for half a century have used this penetrating external application, prepared especially for expectant mothers, and every woman awaiting the crisis should give nature a helping hand.

Write the Bradfield Regulator Company, Dept. F, Lamar Building, Atlanta, Georgia, for their Motherhood Book, of great value to all women, and obtain a bottle of Mother's Friend from the druggist and begin its application regularly night and morning.

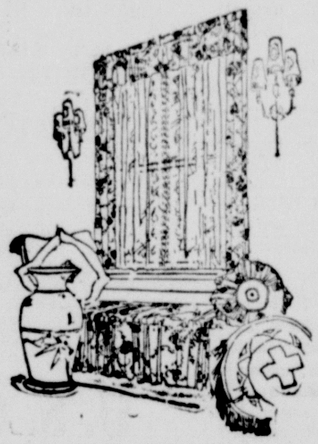
Nets and Drapes
for Home Sewing Week

DURING Home Sewing Week we are featuring displays of the New Spring Curtain Laces, Nets and Draperies. With our new assortment we are able to give you very attractive treatments for your windows.

Dainty Lace is a leader for the windows this spring in Filet and Nottingham mesh with various designs in figured effects.



TWO NEW WINDOW TREATMENTS

One trend in window decorations is towards the used of narrow over-drapes and the elimination of the valance thus giving added emphasis to the lace used at the window.

Another modern treatment is that of making over-drape full enough to cover the window and hang with pull cords to be pulled across the window when privacy is desired, thus eliminating the window shades.

Both of these suggestions give promise of meeting with some favor while the valance will be demanded by the majority, as will also a moderately full side drape.

LACE NETS

Lace nets give that touch of individuality to your windows that reflects your good taste. Lace net lets in the light and air and also act as a veil to the windows. Beautiful new effects are now on display in the HomeFurnishing Department.

KIDNEYS WEAKENING? BETTER LOOK OUT!

Kidney and bladder troubles don't disappear of themselves. They grow upon you, slowly but steadily, undermining your health with deadly certainty, until you fall a victim to incurable disease.

Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four every day until you feel that you are entirely free from pain.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1696 the government of the Netherlands granted a special charter authorizing its sale.

The good housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. Their use restores strength and is responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with a box of GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.

N.B. LAMAR 90 TODAY

CAME TO MARYVILLE WHEN INDIANS WERE ONLY NEIGHBORS

CELEBRATES BIRTHDAY

Pioneer Resident Took Active Part in Early Development—Has Lived Here Sixty-seven Years.

It takes a long stretch of memory to look back to the time when Maryville's paved streets and beautiful residence sections were primeval forests and trackless prairies; when the smoke from the Indian tepees along the Nodaway was the only signs of human habitation for miles, when home was a log cabin with a puncheon floor and not a pane of glass for light.

N. B. Lamar, who is today celebrating his ninetieth birthday, can see all these changes; has had a part in the making of Nodaway county from the primitive to cultivated farms, prosperous homes and business institutions thriving villages and a county seat city which is more beautiful than even his boyish dreams could have visioned sixty-seven years ago when he first saw this corner of Missouri.

Mr. Lamar was born in Anderson county, Tenn., March 13, 1829. In 1842 with his parents he came to Nodaway county and they settled on the Nodaway river, taking up a claim in the northwest section. There the parents put up a log cabin. Roving bands of Indians infested the country on hunting expeditions, (there was no other white family within miles of the Lamar cabin and it was in this frontier life that the young N. B. learned to hunt, to farm and obtained his education.

No one has taken a more active part in the development of Nodaway county than Mr. Lamar and his spirit is as keen, his mind as active and his enjoyment of life as wholesome as it was when he worked on the farm as a young man.

He makes his home with his daughter, Mrs. Virgil W. Keene, and she entertained a few friends today at dinner to ...ate her father's birthday. ARCHITECT WARNS AGAINST DELAY FOR WAR MEMORIAL

ADVICE TO KANSAS CITY

Says Time Will Dull the Vigorous Impulse of the Hour. With Future Bringing Other Problems.

With Maryville and Nodaway county being interested in the erection of a war memorial to our soldiers and sailors the advise of H. Van Buren Magonigle, noted New York architect to the war memorial committee of Kansas City, having been called there for a conference is of interest. Says the Kansas City Star:

When should Kansas City erect her Liberty Memorial?

Now, when the impulse is strong, answers H. Van Buren Magonigle, a distinguished New York architect, chosen by the Liberty Memorial Association to conclude the series of conferences at which outside speakers have appeared before the joint committee of the association.

Mr. Magonigle observed that time would dull the vigorous impulse of the hour and the future would have projects and problems of its own. A vision of the fine sacrifice and patriotism of the war should be perpetuated while the desire to make a notable expression was keen.

"The amount of money available must determine to an extent the character of the memorial," the New York architect explained. "I do not mean we should have in any memorial a vulgar display of money, but whatever we do must be done finely. A small, fine thing that will express the memorial sentiment is better than a larger affair of uncertain merit.

The community center he classed as very feasible for a war memorial in a city of from five to twenty five thousand population.

Disapproves Center Plan.

"Under those circumstances a community center could be made to mean something," he explained.

Mr. Magonigle warned expressly against attempting to cover too much ground with the memorial project.

DOUBT REDS' DEFEAT

A GOV. WIRELESS SAYS THE REVOLUTION HAS COLLAPSED

SITUATION IS OBSCURE

Berlin Streets Are Littered with Ruins and Wreckage Caused by Artillery Fire—Are Still Fighting.

London, March 13.—By a surprise attackk German government troops attack German government troops tacides at Lichtenburg, said a Central News dispatch. The Reds fell back in a panic, abandoning much material. Berlin streets are littered with ruins and wreckage caused by artillery fire.

London, March 13.—That the Spartacist counter revolution at Berlin has collapsed was indicated by a German radiogram picked up here today. It stated that Minister of War Noske had demanded the unconditional surrender of all Spartacides with their arms. The Reds, the dispatch said, have asked for a truce, but Noske replied it would be granted only on the terms mentioned.

But even if the situation has become quieter in Berlin rioting has spread to the provinces. At Dusseldorff, which has long been a storm center, the revolution was suppressed by government troops who used artillery and machine guns.

The real situation at Berlin is obscure. If the revolt has really been crushed government troops acted with great suddenness, for fighting is reported in progress in and around Berlin as late as Tuesday night. It must be remembered that the Nauen wireless government's victory was sent is in the plant from which the report of the hands of government authorities.

YOU CAN MAKE YOUR SHOE BILLS LESS

From Globe, Arizona, comes this recommendation of Neölin Soles.

J. B. Medlyn sends it. He says:

"I have never had my Neölin-soled shoes repaired as the soles always outwear the tops. The position I hold keeps me on my feet most of the time, and I can say that for comfort and wear Neölin is the only shoe sole."

Millions of others who have worn Neölin Soles think with Mr. Medlyn that they are the only soles for wear and comfort. Moreover, these soles cut your shoe bills down because they make your shoes last so long. They are waterproof too. Neölin Soles are made scientifically by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

The Wonderful Call When Baby Comes

Like the Blast of Heavenly Trumpet When Call of Motherhood Is Felt.

Of all the most vital times in a woman's life the coming of baby, is crowded with the greatest meaning. Care should be exercised to insure that the crisis is passed in safety.

Apprehension is avoided by the timely use of Mother's Friend, a preparation of penetrating oils and medicinal ingredients, which renders the muscles, cords, tendons and ligaments pliable, and thus tension is avoided. The usual nervousness, nausea, bearing-down and stretching pains are counteracted and the period is one of calm repose.

The broad, flat abdominal muscles relax with ease, and when baby comes the time at the crisis is less and pain and danger is avoided.

Thousands of women for half a century have used this penetrating external application, prepared especially for expectant mothers, and every woman awaiting the crisis should give nature a helping hand.

Write the Bradfield Regulator Company, Dept. F, Lamar Building, Atlanta, Georgia, for their Motherhood Book, of great value to all women, and obtain a bottle of Mother's Friend from the druggist and begin its application regularly night and morning.

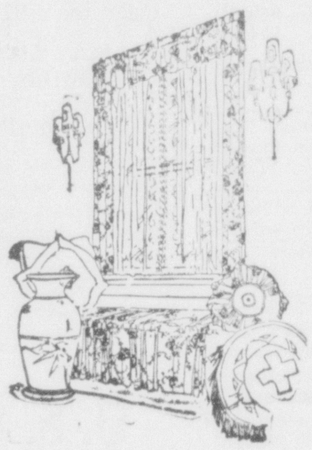
Nets and Drapes
for Home Sewing Week

DURING Home Sewing Week we are featuring displays of the New Spring Curtain Laces, Nets and Draperies. With our new assortment we are able to give you very attractive treatments for your windows.

Dainty Lace is a leader for the windows this spring in Filet and Nottingham mesh with various designs in figured effects.



TWO NEW WINDOW TREATMENTS

One trend in window decorations is towards the used of narrow over-drapes and the elimination of the valance thus giving added emphasis to the lace used at the window.

Another modern treatment is that of making over-drape full enough to cover the window and hang with pull cords to be pulled across the window when privacy is desired, thus eliminating the window shades.

Both of these suggestions give promise of meeting with some favor while the valance will be demanded by the majority, as will also a moderately full side drape.

KIDNEYS WEAKENING? BETTER LOOK OUT!

Kidney and bladder troubles don't disappear of themselves. They grow upon you, slowly but steadily, undermining your health with deadly certainty, until you fall a victim to incurable disease.

Stop your troubles while there is time. Don't wait until little pains become big aches. Don't trifle with disease. To avoid future suffering begin treatment with GOLD MEDAL Haarlem Oil Capsules now. Take three or four every day until you feel that you are entirely free from pain.

This well-known preparation has been one of the national remedies of Holland for centuries. In 1696 the government of the Netherlands granted a special charter authorizing its sale.

The good housewife of Holland would almost as soon be without food as without her "Real Dutch Drops," as she quaintly calls GOLD MEDAL Haarlem Oil Capsules. Their use restores strength and is responsible in a great measure for the sturdy, robust health of the Hollanders.

Do not delay. Go to your druggist and insist on his supplying you with a box of GOLD MEDAL Haarlem Oil Capsules. Take them as directed, and if you are not satisfied with results your druggist will gladly refund your money. Look for the name GOLD MEDAL on the box and accept no other. In sealed boxes, three sizes.
